VITAL STATISTICS.

Parents and others are requested to carefully examine the following lists and if any errors or omissions are discovered report them at once to the town clerk, that the record may be corrected, as it is of importance that the record of Vital Statistics should be complete. Herewith are extracts from the General Laws of Massachusetts, Chapter 46.

Section 3. Every physician, or hospital medical officer registered under Section nine of Chapter one hundred and twelve, in this chapter called officer, shall keep a record of the birth of every child in cases of which he was in charge, showing date and place of birth, the name, if any, of the child, its sex and color, the name, age, birth-place, occupation and residence (including the street number, if any) of each parent, the maiden name of the mother and the name of the physician or officer, if any, personally attending the birth. If the child is illegitimate, the names of and other facts relating to the father shall not be set forth except upon written request of both the father and mother. Said physician or officer shall, within fifteen days after such birth, mail or deliver to the clerk or register of the town where such birth occurred, a report stating the facts herein above required to be shown on said record and also the said written request, if any; provided, that if said report is not so made within

forty-eight hours after such birth, said physician or officer shall, within said forty-eight hours, mail or deliver to said clerk, or registrar a notice stating the date and place of the birth, the street number, if any, the ward number, if in a city, and the family name. Upon presentation to him of a certificate of the town clerk stating that any such birth has been duly reported, the town treasurer shall pay to such physician or officer a fee of twenty-five cents for each birth so reported. Any physician or any such officer violating any provision of this section shall forfeit not more than twenty-five dollars.

FIFTY-THIRD ANNUAL REPORT OF PARK COMMISSIONERS

FOR THE YEAR ENDED DECEMBER 31, 1951

During the summer of 1951 the general attendance of 10,158 individuals who signed in at the bath-house was slightly lower than the previous year.

There was continued interest in the swimming classes with especially large classes of beginner and intermediate groups. It was necessary to divide the beginners into four groups, and the size of each group was still large. To relieve this situation, pre-beginners classes were held two mornings a week.

The following number of boys and girls successfully passed the requirements to qualify for the various grades of swimmers.

Beginners	53
Intermediate Swimmers	47
Swimmers	28
Advanced Swimmers	16
Junior Life Savers	13
Senior Life Savers	5

There is a total increase of 62 individuals over the previous year.

The annual demonstration was held and ribbons awarded. This year, in place of the annual swim meet, a swimming team was formed, and won three outside meets with Holliston, Franklin and Whitins Community Center.

The recreational program in the Park was the most successful yet conducted. The regular morning playground activities were held every morning, Monday through Friday.

Supervision in handicraft classes, baseball, badminton, basketball, volley ball, horseshoes, tennis and archery was made available to different groups of boys and girls. A group of 125 boys and girls was not unusual for a morning.

The handicraft work was exhibited the last week of the playground season and ribbons were presented to the winners of various classes.

Trophies were presented to the boy and girl tournament winners in Archery, Tennis and Badminton.

It was felt necessary to have the playground supervised three evenings a week. The archery, badminton, horseshoe and basketball equipment were made available to adults on these evenings.

The comfort station in the playground has been completely renovated.

The large trees in the rear of Adin Ballou Park were removed last fall since they had grown to the point they formed an unsightly background. A hedge will replace these trees, and other work on the Park is anticipated.

The work on the woodlands continues with several areas well cleared during the last year. Extensive repair was also made on two of the fireplaces.

Investigation of methods for eliminating weeds in the pond have been made, and it is hoped that one or more different methods will be tried out on certain areas this coming spring and summer.

REPORT OF AUDITOR

FOR THE YEAR ENDING DECEMBER 31, 1951

I have examined and verified the financial transactions of the Town of Hopedale as recorded on the books of the several departments, and find that the disbursements are covered by paid bills which correspond with the orders drawn on, and paid by, the Town Treasurer.

The books and accounts of the Town Treasurer I have examined and checked in detail. The recorded receipts I have checked wherever possible with the sources from which money was paid to the Town Treasurer. The payments were checked with the orders authorizing the disbursement of town funds. I have verified the cash balance on hand as of December 31, 1951, by a reconciliation of the accounts with the statements furnished by the banks.

I have examined the accounts of the Tax Collector and find them to be correct. The commitments of taxes and abatements were proved and checked to the assessors' records. The amounts covering fees and interest were verified, and all payments to the Treasurer were checked to the Treasurer's Cash Book.

In accordance with Section 53 of Chapter 41 of the General Laws, as amended, I have examined and checked the securities and savings bank accounts representing the investment of the Trust Funds in the custody of the Town Treasurer, and find that they are as stated in the Town Treasurer's report on Trust Funds.

Respectfully submitted,

LIBRARIAN'S REPORT

The librarian respectfully submits the sixty-sixth annual report.

The usual activities have been followed during 1951. The constant demand for new books has been met by the generous budget. This has also provided valuable additions to the Reference Room collection, including the latest editions of the Merriam-Webster Dictionary, Compton's Pictured Encyclopedia, the World Book Encyclopedia, and the Encyclopedia Britannica. Older editions of the last two sets are now in the Branch permanent collection and in the library of the General Draper High School respectively.

Many of the school teachers have found that the library meets their needs for supplementary reading. During the past year more than ever the grade teachers have found the juvenile collection useful. In twelve school-rooms there are deposit libraries of from twenty to one hundred books which are changed as often as desirable. Through such means girls and boys who do not visit the library ordinarily become acquainted with the best in children's books, and are led to the library to take out cards and get books for themselves. About sixty reading certificates were presented to young readers filling the requirements of the State Library Department. During Book Week the High School freshmen visited the library for detailed information as to methods and resources of libraries. Some of the grades also came for library instruction and stories.

The collection of books in the Children's Room is now greatly enriched by the fund established by our senior trustee, Mr. Harry A. Billings, as a memorial to his wife, Beatrice Robinson Billings. Each volume purchased from this fund providing for quarterly additions bears on its bookplate the words, "This Book for Hopedale Children." Parents, teachers, the young readers as well as the librarian, deeply appreciate this thoughtful and generous memorial gift.

The South Hopedale Branch of the library shows a gratifying rise in circulation figures, proving its response to the reading needs of a fast growing section of the town.

The librarian wishes to acknowledge the hearty cooperation of all on the staff in keeping to the ideals of public service, and is especially grateful to the Trustees for their continued and understanding attention to the needs of the library and of its personnel.

Respectfully submitted,

RACHEL C. DAY,
Librarian

Through the kindness of Mr. Eugene S. Newhall the Library received a framed picture of Grafton and Upton Railroad engines beginning with and since 1874. This interesting photograph now hangs in the Reference Room.

Thanks are due Mr. James S. Young for providing a Christmas tree complete with lights and shiny ornaments. This contributed not a little to the holiday atmosphere of the Children's Room and was especially enjoyed at the Christmas Story Hour.

Mrs. Ira W. Noyes again made many children happy with her colored slides with stories.
